NEWS

Resilience Amid External Factors

Dubai Creek Harbour maintained steady apartment activity in March 2026 despite broader market caution. A contained incident highlighted strong infrastructure and community management, reinforcing confidence. Premium waterfront positioning, Emaar-backed development and consistent rental demand continue to support long-term investment appeal and stable performance.

NEWS

White & Co.

Dubai continues to show resilience, with the UAE's measured response to global conditions boosting market confidence. More than 11,200 transactions in March reflect strong activity, while sustained demand from investors and end-users reinforces stability and Dubai's appeal as a secure, long-term real estate destination.
